## WHO AM I

Hi ! I'm a little web lover based in Brussels, who loves minimalism and unique design. Web development, web design, photography and videography are my favs. I am fluent in French and English.

I'm a huge fan of travelling and discovering new places. But also reading and writing. If you want to know more about me and my projects, discover my website.

I had various student jobs from 2009 to 2018, including working in a Stock for Pierre Fabre and three years in Knees to Chin, an Asian restaurant.
